

## COVID-19 Precautions for Welwyn Hatfield Museum Service Loans Boxes

Please ensure that all these precautions are carried out when handling any loans boxes from the museum service. This way we can help ensure that these boxes are safe to go out upon their return. If you would like to distribute the objects amongst students then please ensure that they follow the instructions between objects.

- Please ensure that you wash/sanitize and dry your hands before and after using the box.
- Where appropriate wear disposable gloves when handling the items inside the box (or make sure your hands are clean as above).
- This loans box has been prepared and outside surfaces wiped down with a strong, alcohol based spray prior to its 'quarantine' period before your collection.
- If possible please also follow this method when returning the boxes to us.
- If appropriate wipe down objects after use
- Please also wipe down exterior surfaces e.g. clip handles/lid after use.
